

YOUTH Ending Violence:

Youth Engagement in Dating Violence Prevention

For 20 years Battered Women's Support Services has delivered dating violence prevention education.

YOUTH Engagement in Dating Violence Prevention.

Co-facilitated by a trained young woman and a young man.

Anticipated outcomes:

- A better understanding of the roots of dating violence
- Types of abuse
- Healthy Relationships
- How to help a friend who is being abused
- Effective bystander intervention
- Safety Planning
- Media Literacy Skills
- Understanding Social Media

The length of the workshop is approximately 50 minutes. Two and four hour workshops are available upon request.

Book as soon as possible as our calendar fills up very quickly.

ALL THE WORKSHOPS ARE FREE

By providing relevant education to youth about violence in dating relationships we are helping to end violence.
