

Legal systems are complex and justice can be elusive for women.

The Legal Advocacy Program at Battered Women's Support Services

helps support women through the legal process.

- **The Legal Advocacy Program (LAP)** at BWSS provides support, advocacy, information and accompaniment to women who have experienced violence and who are involved in the legal system.
- **LAP** provides legal information and support over the telephone or in person
- **LAP** provides legal workshops and pro-bono legal info sessions for women
- **LAP** provides legal representation to women who have multiple barriers and have been denied by Legal Services Society for legal representation
- **LAP** provides legal information, research, advocacy and support for battered women in family, child protection, immigration, criminal, civil, and poverty law matters
