

LAUNCHING **WORLD HEALTH DAY** **APRIL 7, 2018**

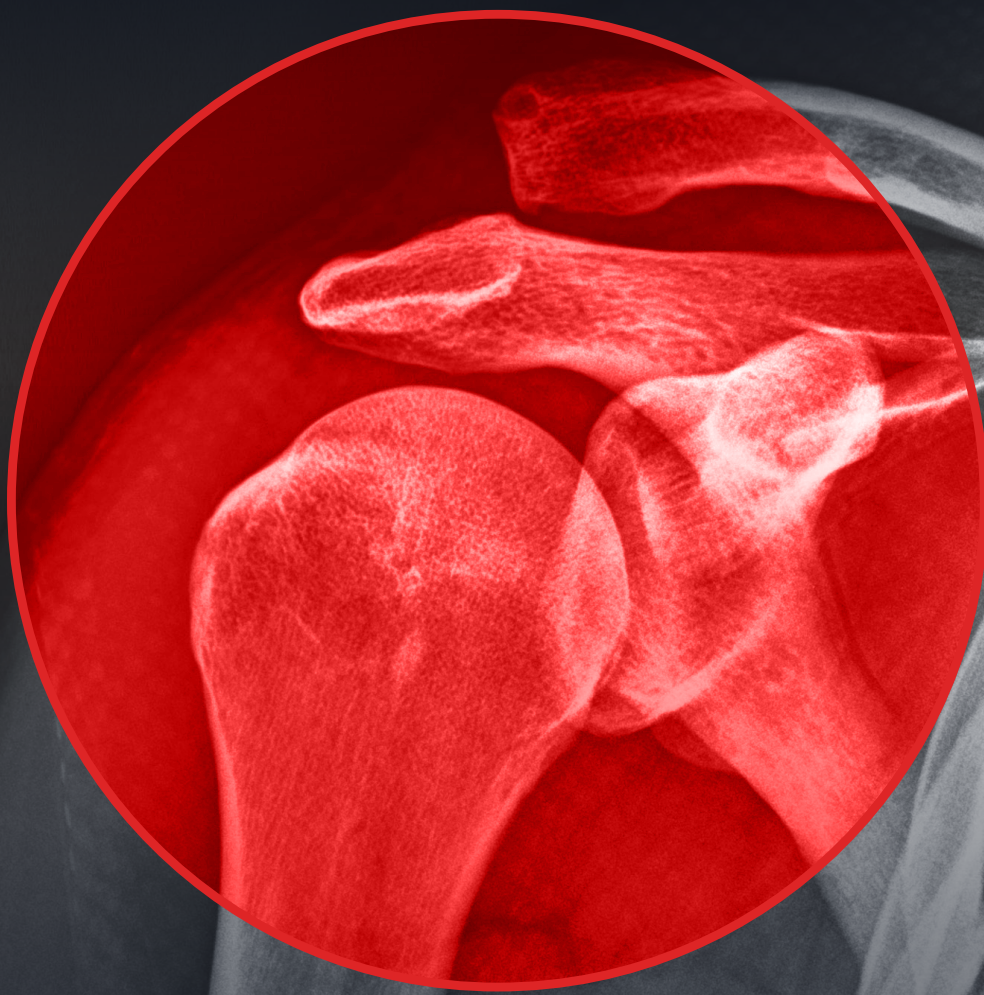

BC Family Physicians join the fight against intimate partner violence

#SomeMenBreakMoreThanHearts

some men
**break more
than hearts**

**1 in 5 women
make their first
disclosure to their GP.**
BWSS provides doctors with
information and resources
to help you.

Are you experiencing violence in your intimate relationship?
Talk to your doctor and/or contact us
